**REPORT AND RECOMMENDATION**

Alexander Patterson has filed a *pro se* complaint purportedly seeking compensation for the violation of his civil rights. (Doc. 1.) He also seeks leave to proceed *in forma pauperis*. (Doc. 2.) As it appears that he lacks the resources to pay the \$350 filing fee, his motion to proceed *in forma pauperis* is **GRANTED**, but this case should be dismissed.

A case filed *in forma pauperis* must be “dismiss[ed] . . . at any time if the court determines that . . . the action . . . fails to state a claim on which

relief can be granted.” 28 U.S.C. § 1915(e)(2)(B)(ii). Patterson’s complaint is comprised of twenty-two pages of absolutely incomprehensible gibberish.<sup>1</sup> (Doc. 1.) He alleges no facts whatsoever. Instead, he has filled nearly every page with legal citations and the names of military officers. (*Id.*) As the Court cannot discern anything resembling a claim for relief anywhere in the complaint, this case should be **DISMISSED** pursuant to § 1915(e)(2)(B)(ii) for failure to state a claim.

**SO REPORTED AND RECOMMENDED** this 27th day of June,  
2008.
